(Recording went dead at this point.)

- B. Huh, aw well it's (inaudible) of technology
- A. Okay, this is for the recording here um, what you've shown me so far is is copies of your baby book and some photographs including photos of Fleet White Sr. and then some photographs of Fleet White Jr's children
- D. Yeah and there should
- A. Correct
- D. Be a....actual.....a picture of Fleet White
- C. (inaudible)
- D. At his wedding.
- A. Okay, and where did these photographs come from, I mean I the ones (inaudible) obviously, but where did these other photographs come from
- D. From my grandma's um photo album
- A. Okay and that's still out in California
- D. Yeah

- A. Okay, now this photo, there's a video of these photographs is that correct, is that what this is
- C. None none of these, videos of other family photographs and correspondence
- D. Oh there it is
- A. Okay.....okay so this is Fleet White Jr's wedding picture
- D. Uh-huh
- A. Okay, you can pull that one out, and who were the people again that photograph hard to see um kind of from left to right who's this female in the white shirt
- D. Let me see
- A. A white dress
- D. Can I look at it
- A. Sure
- D. It's a little bit hard, that's uh Nyla
- A. Okay, which would be Fleet White's
- D. Mother
- A. Okay
- D. Fleet White Jr., his wife Priscilla, his father
- A. Okay
- D. And his sister Loni
- A. Okay, and the original photograph is out in California
- D. Right
- A. Okay, so I need to pull this out, if you don't mind
- B. For the record that was from a page 20 from a

- C. Fax
- B. From a fax.....right
- D. Uh-huh
- B. Is that what that was from
- A. Okay so
- D. And this is uh.....this is a horrible picture (inaudible) uh the quality of it but this is a picture of Fleet White Jr. and Fleet and that's a.....a picture of little Fleet
- A. Okay so this is Fleet White Jr., one who is currently in Boulder
- D. Right
- A. And his son
- D. Right
- A. Okay, and that's on page..... (inaudible) hard to tell.....16
- B. Looks like page 16 from the fax copy from [REDACTED].
- A. And then these other photographs uh the other pages of photographs um.....one's not numbered uh but these are all family photographs of Fleet White's....Fleet White Jr's children, where were these taken at
- D. Um
- A. Have any idea
- D. Well it it says right here, it's written on there that this is before they moved to Colorado
- A. Okay
- D. And that they were 5 and 3 1/2 years old
- A. Okay
- D. And that they were taken at a children's museum in Tennessee
- A. Okay, very good, that kind of that way I can go back and try to figure out what's what as far

as all these photos go, okay, and then you have this greetings from Fleet and Nyla that would be Fleet White Sr.

D. Right

A. And his wife and who are the two children in there

D. Uh Fleet White I guess, he's really Fleet White III

A. Okay

D. And Daphnie

A. Got it and that was taken in Aspen in 1997

D. Right

A. Okay

D. And I have the most recent....um....from....on that tape

A. Okay

D. Was sent

A. So on the video tape is another photograph

D. Uh-huh

A. Is that right, okay, um so I guess I guess there's some sort of a connection between you and the White families, Fleet White Sr., Fleet White Jr., I understand that, uh let's start kinda back in the beginning it's probably the easiest way

D. Okay, can we read this first

A. Sure

D. I think (inaudible)

A. What what

D. Um

A. What is this

D. It's a.....it's a letter to my grandmother

A. Uh-huh

D. From uh Nyla White

A. Okay

D. And I think it has some significance because it talks about how uh....they would spend Christmases with my mom

A. Uh-huh

D. And my grandmother

(Very long pause).....(50 sec pause)

A. And Gordon is

D. It's my grandpa that passed away

(Long pause) (20 sec pause)

A. I'm, it talks about Fleet and Loni, would be Fleet White Jr.

D. Uh-huh

A. Okay

(Long pause) (25 sec pause)

D. (inaudible), when will she (inaudible) communication

C. Huh

D. (inaudible)

C. (inaudible)

A. Okay, that's fine (inaudible) um so let's start back let's (inaudible) start back as far as you can first remember um your family and the White's family being together, when was that

D. Probably when I was about 3 years old

- A. Okay, so the White's have been um friends of your.....parents, grandparents
- D. Both
- A. For many, many years
- D. Yes
- A. Okay, um.....where did you guys live at that time
- D. Where did I live
- A. Yeah where did you live
- D. I lived in Buena Park, California
- A. Okay, and Fleet White Sr. was good friends with your grandfather, is that correct
- D. And my grandma
- A. And your grandma
- D. Both
- A. Okay, and where did the Fleet White Sr. live at that time
- D. In Hunt, not Hunt, in Long Beach
- A. Long Beach okay
- D. Uh-huh
- A. Um kinda kinda bring me up to date just a little bit um you know how you kept in touch with the White family, that sort of thing and then talk about.....go into a little bit more detail if you would.... (inaudible) kind.....kind of tell me throughout the years you know I mean have you kept in touch with the Whites, have you have you communicated with the Whites I mean obviously there's.....communications from 1997 uh but kinda start back from when you first remember and go forward and kinda give me an idea of....of a your contacts with the Whites
- D. And like.....
- A. Just general contacts
- D. Well that's really hard to do because I would say that my contacts weren't general contacts

with them

- A. Okay, um I mean did you.....cause it talks about it a little bit um Christmas time, that sort of thing, let's start there um I mean I understand there's some other things some subtle things goin' on in this letter but kinda generally and how often would the Whites visit you guys, your grandparents, your parents that sort of thing
- D. Very often
- A. Okay, daily, weekly
- D. Uh I would say at holidays
- A. Okay
- D. Christmas, Easter um.....and uh birthdays, like my grandpa's birthday or my grandma's birthday or
- A. Okay so
- D. Fleet Senior's birthday or Nyla's birthday
- A. Okay so generally and and let's talk about, let's break the families up into, there's too many Fleets here
- C. Uh-huh
- A. I want let's let's break the family up into Fleet White Sr. um and Nyla correct
- D. Uh uh-huh
- A. Um they would visit your folks or your grandparents
- D. My grandparents
- A. Okay so Fleet White Sr. and Nyla would visit your grandparents on the average, the major holidays throughout the year, is that what you're sayin', um Christmas, Easter, and birthdays
- D. Birthdays uh-huh
- A. Okay any any other times that....
- D. I'm sure there were other times but I don't know exact dates it would be real hard for me to give exact dates from that point or
