

- B. Yea
- A. Ok
- B. But I don't think you know the whole time that I was in therapy umm I was contrary to what my family might lead you to believe I was harassed.
- A. Ok, what do you mean harassed?
- B. Umm sent uh a clown with it's head cut off in a box.
- A. Ok
- B. I was sent uh t-shirt that said support your local hooker.
- A. Ok, so
- B. (inaudible) Star Ranch Beatly Nevada
- A. So what you're saying is that during the time you were in therapy with Mary that your family was harassing you. Sending you this kind of stuff.
- B. Yea
- A. Ok
- B. My grandma recently had sent me a..a book on Embalming
- A. Mm-huh
- B. That I did not open, but I didn't know what it was until Mary Beinkowski opened it.
- A. Ok
- B. And most of the boxes that I received I would take to Mary Beinkowski before they were ever opened.
- A. Ok, and these are...these are umm items from the mom or from your grandmother?

- B. Uhh
- A. Who sent you the bulk of these items?
- B. I'd say the bulk of them came from my mom.
- A. Ok
- B. But...but that also that my grandma Krebs had sent me some things.
- A. Ok, and this...this was before you were caring for your grandma Krebs?
- B. My grandma Sprague yea
- A. Ok, grandma...grandma Krebs from Arizona would send you this stuff though?
- B. Well I think she actually sent me the embalming book while I was taking care of my grandma.
- A. Ok
- B. But most of the uh the packages that I received came before I stopped therapy with Mary
- A. Ok
- B. The first time
- A. So the first time
- B. Right
- A. Bulk of them were from your mom, some of them were from grandma Krebs down in Arizona?
- B. Right
- A. Ok, umm obviously by 95 you thought it helped you during the therapy with Mary how was that going. I mean how did you feel that it was going?

B. Right

A. Ok, umm obviously by 95 you thought it helped you during the therapy with Mary how was that going. I mean how did you feel that it was going?

B. Well I felt that she was helping me.

A. Ok

B. Uh I also felt that I needed to take a break for...for awhile.

A. Ok take a break from Mary for awhile?

B. Right

A. Ok, now did you meet [REDACTED] ... [REDACTED] during that time or when you returned to therapy with Mary?

B. No during that time.

A. Ok, during the first...first therapy time..time

B. Right

A. Ok...ok umm you started back up in September of 99 or August 99 something like that umm what kinda...what kinda stuff was done umm what kinda of therapeutical stuff did...did Mary have you do in August of 99 or September of 99 when you started back with her?

B. Uh it was just mostly that I would go in there and talk to her, I mean I wasn't doing writings

A. Ok, a little bit different than the first time around then?

B. Right

A. [REDACTED]
[REDACTED]
[REDACTED]

A. [REDACTED]
[REDACTED]?

B. [REDACTED]
[REDACTED]

A. Ok, and was that the first time or the second time?

B. First time.

A. Ok, uh did that change at all as far as her diagnose or was that the same?

B. I have know idea

A. Did she talk to you about that

B. Because I never....no I've never asked her what my dia...my

A. Ok

B. She had diagnosed me at

A. Ok, and again and sometimes people talk to the therapist and say (end of side A)

Side B

B. Since I already know that this is out here I'd like to address something with you?

A. Mm-huh

B. Umm I've heard through the through a conversation that umm one of my relatives had with [REDACTED] that uh my family said that I had umm had them make those calls to Mary Beinkowski.

A. Ok, the phone messages that Mary received?

B. Right...right

A. I would tell you your mom talked about one phone call that she made to Mary Beinkowski that she said that umm that you asked her to do?

- B. Right,
- A. Ok, she didn't say that she made all of them, she said she made one phone call.
- B. Well and then well the other ones were from my grandma
- A. Right and I...did not speak to your grandma did grandma talk about the phone calls at all?
- D. I wasn't aware of them so I didn't ask?
- A. Ok, so (inaudible)
- B. You weren't aware of them?
- D. I personally was not?
- A. We..we talked to Mary afterwards and Mary...Mary actually played all the phone calls for us?
- D. Yea...yea
- B. Oh
- A. After we talked to your mom and your grandmother Alyce
- B. Uh-huh
- A. Ok
- B. Ok, oh I see before you went you saw them first
- D. San Luis Obispo was our last stop.
- B. Ok
- D. We sav... (talking)
- B. I understand

- D. We saved the best for last
- B. I understand...I understand
- A. Ok, umm but yea your mom your mom said that she made one phone call to Mary?
- B. And uh in that regard I would like to now say that my family since I have been gone has made numerous telephone calls to [REDACTED]
- A. Mm-huh
- B. Umm and I would consider that some of them are very veil threats.
- A. Ok
- B. So, [REDACTED] here.
- A. Here in Colorado?
- B. She's here right now.
- A. Ok, and let me... I mean I've...we've talked to [REDACTED]...I've talked to [REDACTED] couple times on the phone umm and my conversation with [REDACTED] if she's receiving harassing phone calls I don't know what the statue is in California as far as harassment goes? I'm not a California police officer?
- B. And what about I mean if they're...they're directly concerning me being here in Colorado?
- A. Again umm and Lee's gonna be able to address with you also the crimes actually occurring out in California, it's occurring towards [REDACTED] is that not correct? Is she the victim of these harassing phone calls?
- C. If I were analyzing this as a prosecutor
- A. Mm-huh
- C. I would consider that Nancy is also a victim because they're making the calls to [REDACTED] knowing that [REDACTED] communicating with Nancy

- A. Ok and...and again uh I'm not familiar with California law but in Colorado I think you'd have a hard time on harassment charge when the victim is out in California receiving the phone calls.
- C. L.I would say the (talking)
- A. Right
- C. I wouldn't right and L...I was a California criminal prosecutor
- A. Right
- C. (inaudible)
- A. Down in San Diego
- C. Right I agree with you, L...I would say that I would view it as having more significance with regard to how I viewed the creditability of the individuals making these intimidating calls
- A. Ok
- B. And
- C. That's...that's how
- B. Because
- C. L.I would use it to create a criminal case against them. I would just incorporated in my evaluation (inaudible)
- A. Right and...and I duelly note I mean I've...I've talked to [REDACTED] a little bit about the phone calls, she told me about some of the phone calls that happened early on. I haven't heard any...anything from [REDACTED] recently umm but again
- B. Well I'll tell you and the day before I left to come to Colorado uh there was a phone conversation between my mom and [REDACTED]
- A. Mm-huh

- B. Well I'll tell you and the day before I left to come to Colorado uh there was a phone conversation between my mom and [REDACTED]
- A. Mm-huh
- B. Where my mom was saying that she had been in contact with Fleet Jr said that Fleet Jr.'s brother-in-law was here in Boulder helping him to try to discredit me
- A. Ok
- B. Umm there was some reference made to Fleet White and Steve Thomas
- A. Mm-huh
- B. There was some references made to the uh I...better watch out because the Whites have a lot of money and umm that uh that my sister had asked my mom to try to find me and that now my sister wasn't talking to my mom because she was so upset. That my mom didn't even bother to come and find me.
- A. Ok
- B. And they were very uh-umm the conversation was very supportive of the Whites and my mom was not showing concern towards me.
- A. Ok, and it sounds like (inaudible)
- B. (inaudible)
- A. Kinda of an on going issue between your...you and your mom for like the last 20 or so years. That your mom hasn't shown a lot of compassion for you, hasn't shown a lot of backing for you is that correct? I mean this isn't just something that happened
- B. Right and she
- A. Four months ago
- B. And..and uh she also in the conversation said I better watch out. That umm I was going to be arrested

- B. And that umm she talked about the Boulder Police Department and how umm a member of my family has a connection in the Boulder Police Department.
- A. Ok, and which member of the family has a connection with the Boulder Police Department?
- B. A man by the name of [REDACTED].
- A. Ok, and what his connections to the Boulder Police Department? [REDACTED] not an officer here I can tell you that right now. I don't know that name
- D. Never heard of him?
- A. Although I've known and I know most of the (laughing) got a new a lot of new ones but that's not a name I know.
- C. Can I say what...
- A. Sure
- C. What I've learned about him umm he's got some kind of record or he describes himself as a film maker.
- A. Mm-huh
- C. He works in Denver and he was friends with a member either Westminster or Broomfield Police Department who had a role in I don't remember where Mr. Ramsey was previously interviewed in Westminster or Broomfield
- A. Ok
- C. That's kind of cause you know Nancy's told me the same thing Boulder...Boulder it's not in Boulder. Her mother's mistaking it's not in Boulder. It's
- A. Ok
- C. Is it Broomfield or Westminster?
- A. So (talking)

- C. Do...do..you know
- A. But I'm (inaudible) telling you Nancy
- C. (inaudible) it's that police department that he has a connection with. That he's apparently getting information from.
- A. Ok
- B. I mean they have known where I have been for the last three months.
- A. Ok, let me...let me tell you something first
- D. We don't even know where you've been (talking)
- A. I haven't known where you've been
- C. I don't even know where she... (talking) I don't even (inaudible)
- A. I haven't been able to contact you. The only contact I've had is through Lee, and again it doesn't sound like I'm...I leave a message for Lee and it's days and weeks before I hear back from you at all.
- B. And what she was applying also was that Fleet White was getting information from Steve Thomas.
- A. Ok, Fleet White can get all the information he wants from Steve Thomas. Steve Thomas resigned from the Boulder Police Department almost a year ago, actually almost two years ago. He has not been involved in this investigation at all in over two years, ok? So if Fleet Thomas (talking)
- D. (inaudible) (talking)
- A. Or Fleet White doesn't have anything to do with...with our conversations with you? I have not spoken with Fleet White specifically about your allegations. We've interviewed him reference what's going on, and nobody talked to Steve Thomas about our conversations. At least from the Boulder Police Department. And as far as the rest of the world goes I don't know? I'm telling you that Steve Thomas has no connection with the Boulder Police Department. [REDACTED] is not associated with the Boulder Police Department. I've spoken with [REDACTED] on the phone. He

said hey I wanta give you information. I take information just like I take information from anybody and everybody else. [REDACTED] is not a member of the police department. And other than a private citizen saying hey this is information that's it. My information is a one way street with [REDACTED].

B. But [REDACTED] is also a..a member of my imitate family.

A. Ok, but I'm telling you I..I take information from everybody. Somebody calls in and says I have information we take it. That's exactly what happened here

C. And...and...and these guys don't have any control of over what [REDACTED] may be represerting to your mother, or your mother may be distorting this

A. Ok

D. Did [REDACTED] record her conversations with your mother or any messages any threats?

C. Can I interject something?

D. Yes

C. If it makes it difficult to answer that question. It's against the law in California for an individual to record a telephone conversation without first notifying or getting the approval of the other party involved in the conversation.

D. (inaudible)

A. Ok

C. Well that's what I....right....right....right (inaudible) except...except if they're directed by an law enforcement officer.

A. Ok

C. Ok, so trying to...I've not seen any tapes, I've not heard any tapes. But let me ask you

A. To cover you

- C. Would...would you like to?
- A. No
- C. If one...if a recording were made or if a transcription a precise sworn transcription by a stenographer who made have been on an extension phone for example which is legal were made, would you have interest in get that
- D. Of course we would?
- C. But...cause I think I can make that happen. And that's something that I learned about this morning and I'm gonna do my best to make that happened.
- A. But on the other side of that Lee, one I don't wanta put [REDACTED] in a
- C. Of course
- A. Position that she does something illegal.
- C. Right
- A. She not being directed by the Boulder Police Department
- C. I understand....I understand...I understand
- A. To do these recordings, I'm...I'm gonna be real specific about that cause I wanta protect her interest and rights
- C. Right
- A. Umm as I would protect anybody else
- C. Mm-huh
- A. Ok, if you have those available yes I will review them?
- C. Also...also can I add just like..just like there making intimidating uh harassing calls to [REDACTED], is a California jurisdiction issue. It's not like if you became aware of that simple crime having occurred in California that you would make a referral to the San Luis Obispo Police or the FBI. In other words there would be a sort of

- pocket...pocket immunity a casual immunity. It's not like you're gonna narc
- A. I don't promise any immunity on anybody
- C. Oh ok
- A. And that's why I'm telling you
- C. Ok
- A. If she's doing something illegal, umm that's something you need to deal with
- C. And...and
- A. Secondly
- C. And...and of course we don't know I mean I might receive delivery of tapes, so we have no freaken idea where they came from
- A. And...and that's fine
- C. That...that makes it a little easier for us all to deal with I suspect
- A. As an attorney, yes
- C. Ok
- A. Ok
- C. And you'd be interested in those tape
- D. Has [REDACTED] we had a conversation Nancy a couple weeks ago?
- B. Mm
- D. And that you told me that certain people were being harassed that I told you at that time that we did not have jurisdiction over that.
- B. Right

- D. And that whoever it was that was being harassed will need to go to the appropriate law enforcement agency, did that happen?
- B. No, because [REDACTED] has seen what I've gone through with the San Luis Obispo Sheriff's Department. And she didn't want to go that way.
- A. So...so she has not reported this yet?
- C. (inaudible)
- B. No
- A. Ok
- B. Now what about uh...uh
- D. That's what I mean any cop investigating a harassment case is gonna say record the conversations and there by you get you know you...you push away this
- B. I mean
- D. Legal mess (inaudible) (talking)
- B. The very first conversation uh-umm that my family had was on February 28. And [REDACTED] wrote it down
- A. Mm-huh
- B. And my mom was talking about umm how they had a lot of clout, that they had been warned. That the tabloids and the Boulder Police Department would be coming
- A. Ok, and let me address that straight away, because there's a lot of stuff going on in the newspaper, alright. From the very beginning of this whole thing the newspaper was involved, correct? Barry Hartman was involved in this Lee is that correct?
- C. And...and as I explained to Chief Beckner the other day and I hoped you...he had briefed you, I went to Barry Hartman as Barry Hartman understanding he wasn't a reporter (inaudible)

- A. Ok, but Barry Hartman is with the Boulder Daily Camera the local newspaper, is that correct?
- C. Yes
- A. Editor
- C. Well no...no, no question and...and...and I except responsibility for a
- A. Ok
- C. Tremendous error in my judgement, I also explained to Chief Beckner that I went to Mr. Hartman the morning before his article ran Steven Sigel was standing beside me but...but...but before that I had a witness
- A. Ok
- C. With me when I went to Hartman and got his assurance of his confidentiality and then when I found out that he was gonna go with an article I asked him not to
- A. Ok, I understand that but
- C. (inaudible) (talking)
- A. The bottom line is the newspaper was brought into this at the very beginning
- C. Barry Hartman was brought in this from the very beginning as a citizen...as..as a citizen activist who has great in roads
- A. Ok, and that was prior to the Boulder Police Department involvement in an interview with Nan...Nancy
- C. He...he was brought in to facilitate a connection directly to law enforce...senior law enforcement officers (inaudible) (talking)
- A. As oppose to you calling the Boulder Police Department, what I'm...I'm getting at Nancy is newspapers been involved in this from the beginning, right? I mean Barry Hartman a private citizen who also happens to be the...editor of the Boulder Daily Camera was involved in this.

- B. No, I wouldn't say from the very
- A. Ok
- B. Beginning because
- A. He was involved in this prior to the Boulder Police Department doing an interview with you, whether he facilitated the interview or not I don't know? What I'm telling you is they were there? As soon as the...the...the newspaper gets involved in something every other newspaper in the country hooks up on to it. Chris Anderson goes out and starts interviewing and starts poking around all the other newspaper reporters start poking around.
- B. Mm-huh
- A. And I can tell you that from first hand experience, cause it's happening to other parts of this case. When I go out to do an interview, and everybody else has beat me to the person interview.
- B. Ok
- A. I didn't call up the newspaper and say ok we're leaving for California on this date to do interviews? I set up some interviews prior with Mary Beinkowski specifically because
- B. And my mom
- A. No. I actually I did, I spoke with your mom. And I'm not sure who's telling the newspapers. Cause your mom's pretty shocked when the newspaper reporter showed up at her door umm before we got there. I can tell you that, she wasn't expecting that.
- B. Well then that runs counter to a conversation that she had with [REDACTED]
- A. What's that
- B. She said that she had been warned that the Boulder Police Department was coming along with the tabloids
- A. Ok, well the Boulder Police Department didn't travel along with the tabloids to

interview your mom. Chris Anderson is a...a Daily Camera reporter is who he is, And he beat us out there. But yea I did set up some interviews before hand to make sure people were gonna be out there.

B. Mm-huh

A. Ok, but I didn't tell the newspapers, I didn't tell anybody else. I talked to the people I set up the interviews just like I talked to you setting up an interview.

B. And reason I brought up those telephone calls

A. Mm-huh

B. Is because I know that they had said that, that umm that my mom had said that I had asked for her to make the telephone conversation and also because I feel that if my family truly had nothing to worry about from what I had brought up, why would they be making threats towards me?

A. Ok, and again I'm gonna leave the threats to Nancy or to uh [REDACTED] and you in California jurisdiction. And Lee if you wanta go further with that, you can go further with that. But for right now [REDACTED] needs to start

B. I mean I have my mom, my mom is uh on the most recent conversation talking about the Boulder Police Department. And talking about uh-umm how she's heard that umm that you are not to be trusted and this was all from the Fleet

D. So you just pick up a piece of paper, I mean whatever (low voice)

B. No, I mean but this was right after she was talking about Fleet White Jr, Fleet White

A. Mm-huh

B. And how much money he has and but I just better watch out because now he has this brother-in-law who is digging into...information about me.

A. Ok

C. Please let me assure all it's not like Nancy believes what her mother tells her

- A. And....
- C. Tells or tells (inaudible)
- A. And...
- C. The fact that she's offering this information will have the tendency to discourage her from coming back to talk to you (talking)
- A. Ok
- C. I think that's the most (inaudible) useful part of this
- A. And that's fine and I understand that umm again Fleet White is not dictating what we're doing, ok? I can give you that assurance, he's not dictating what we're doing. And uh probably the (inaudible)crux of this, to this probably most important part of this...conversation today is homicide happened you believe on December 25th 1996.
- B. Mm-huh
- A. And we're talking about JonBenet's homicide?
- B. Right
- A. First of all how do you know...how do you know the information about the homicide?
- B. From my mom.
- A. Ok, and what did your mom tell you?
- B. She told me that she had been with my niece [REDACTED] at a party at the Whites. And she had said that Fleet Sr had been the one who murdered JonBenet.
- A. Ok, your mom told you that?
- B. Yes
- A. And what did your mom

- B. And my grandma umm totally agreed with that.
- A. Ok, was your grandma at the party with your mom?
- B. No
- A. Ok, so your mom is telling you that she has first hand knowledge about the homicide, is that correct?
- B. Mm-huh
- A. Ok, your mom told you that she was at the Whites house?
- B. Right
- A. With [REDACTED]
- B. Right
- A. Your niece and again was that December 25th, 1996?
- B. Was whenever they had their party so
- A. Ok
- B. That would of been December 25th.
- A. Because on obviously Christmas time there's a lot of different parties going on? Are we talking about more than one party at the Whites house or the night that JonBenet was killed?
- B. The night JonBenet was killed.
- A. Ok, so the night JonBenet was killed your mom and [REDACTED] were at the Whites house?
- B. That is what she told me .
- A. Ok, who else did she tell you was at the Whites house?

- B. She didn't
- A. Did she talk about anybody else at the Whites house that night?
- B. Umm she did say that Fleet Sr was involved but she didn't necessarily say that he was at the Whites house.
- C. Can I ask, which Fleet Sr exactly are you....(talking)
- A. There's Fleet Sr the old guy that's 80 something years old, right?
- B. Right
- A. Fleet Jr who lives here in Boulder and then
- B. There's little Fleet
- A. Fleet the third which is a little child.
- B. Right
- A. We're talking about Fleet Sr and Fleet Jr?
- B. Right
- A. You....your mom told you that Fleet Jr or that she was at Fleet Jr's house here in Boulder with [REDACTED] umm at the Christmas party?
- B. Right
- A. How did she say Fleet Sr was involved in a homicide?
- B. She just said that he had done it, she didn't tell me exactly how or when or where or anything. That Fleet Sr had killed JonBenet.
- A. Ok, so Fleet Sr killed JonBenet so I'm taking it cause the last time you talked sounded like the this whole homicide was...was video tape or...or filmed
- B. Mm-huh

- A. Do..we talked about some different steps involved umm so was Fleet Sr also present at the Whites house during this Christmas party?
- B. I don't know
- A. Did your mom ever talk about him being there other than he killed JonBenet?
- B. No
- A. Ok, so your mom's conversation was she and [REDACTED] were at the Fleet's hou...
- B. Right
- A. At Fleet White Jr's house
- B. Right
- A. And that Fleet White Sr killed JonBenet?
- B. Right
- A. Did your mom make any other comments about that? Did she give you any other details?
- B. Umm, I'm trying to think.....I don't think at that time that she did (inaudible) (low voice)
- A. Ok has your mom given any other details since then about what occurred on December 25th, 1996?
- B. She eluded that umm that night that they were some movies taken?
- A. Ok
- B. And in fact uh one time when she was...the first time that she went to Germany and she took [REDACTED] and [REDACTED] I think which was in 98, she had some uh video tape things in her suitcase.
- A. Ok, so your mom had video tapes in her suitcase?

- B. Mm-huh
- A. Did you see what was on those video tapes?
- B. No I didn't.
- A. Did you see labels on the video tapes or anything?
- B. No
- A. Ok, and Lee I think you can understand where I'm coming from here umm so the two pieces information that you have reference a homicide are that one Fleet White Sr killed JonBenet?
- B. Mm-huh
- A. And two your mom and [REDACTED] were at the Whites house, Fleet White Jr's house here in Boulder?
- B. Right
- A. Now did your mom say that she was present during the homicide?
- B. No, I mean I don't think my mom would ever come out and just say that I think
- A. Ok, did she elude to the fact that she was at the...was present for the homicide?
- B. Well in different conversation that I've had with her since that time she's eluded uh a lot of different things. Umm when everything was at the Grand Jury
- A. Mm-huh
- B. Umm she said that umm that she hoped that uh Pasty uh went to jail so that she could be with John Ramsey.
- A. Mm-huh
- B. That John Ramsey was gonna have uh-umm uh it was just I mean she would say things like that they were just really strange to me

- A. Ok, but besides the strange stuff I'm looking at I'm looking for specific information on the murder?
- B. Mm-huh
- A. Ok, did your mom give you any other information other than she and [REDACTED] were present and that Fleet White Sr killed JonBenet?
- B. No
- A. Anything else that you
- B. I mean she...she not to the murder itself she eluded several different times as my grandma did that Fleet Sr had always been strange he'd always been weird he'd..he umm always liked little girls.
- A. Ok
- B. Umm that umm he had asked my mom if he could dance with [REDACTED] at some certain umm function where they both were at.
- A. Ok
- B. And I don't know if that was he was talking about the party cause my mom did not say that specifically.
- A. Ok, so your mom and your grandmother are both are eluding the fact that Fleet White Sr's weird?
- B. Right
- A. Ok, again last time we talked umm you talked about how JonBenet was tied up?
- B. Mm-huh
- A. In a ritualistic fashion, how she was struck in the head? Umm which has occurred numerous times, where did you gain that information from? Was that something that your mom talked to you about or is that something that you read some place else?

- B. About JonBenet
- A. Yes
- B. Well I mean it was kinda hard not to see it on television
- A. Mm-huh
- B. Or if you're asking me if I ever read anything, any books or anything uh no.
- A. No...no
- D. Where did the information come from where you told Tom and Chuck during your last interview exactly how she was killed?
- A. I mean your...you were pretty specific, you talked about her being struck in the head which is ritualistic ...that happened to you happened to other people that you've seen. You talked about the way she was tied up and strangled, and again what I'm trying to get at is...is this first hand information from your mom or is this something that you've kinda pulled out with your mom telling you information? Do you see what I'm saying, I'm trying to find out what's first hand knowledge?
- D. Well actually second hand knowledge (talking)
- A. Second hand knowledge from you (talking)
- D. That came out of your mother's mouth (talking)
- B. Right
- A. But that's what I'm...trying to figured out is what...what's coming from your mom or what you heard through the whole media mess that's been going on with this case?
- B. That's really hard for me to answer, I would say to you this that some of that and being able to be so specific about how JonBenet was bound was that that's what they would do to me.
- A. Ok

- B. I mean why wouldn't it be the same umm the same type of thing.
- A. Ok, so...so I guess what I'm understanding from you is that mom told you two pieces of information she was there Fleet White did it, Fleet White Sr did it?
- B. Right
- A. And that because of the way umm you've heard that JonBenet had been tied up how she had been struck in the head how she'd been sexually abused you related that to your personal history?
- B. Right
- A. Is that correct
- B. Right
- A. Ok, and when did your mom tell you that she was present at the Whites house in 1996 during Christmas time?
- B. I think it was the day after Christmas.
- A. Of 96
- B. Uh-huh
- A. And did she call you from Denver to tell you that?
- B. She called me from where ever it was she was. I mean I thought that she was in Arvada at my sister's house.
- A. Ok, you thought she was in Arvada
- B. Uh-huh
- A. At your sister's house the day after Christmas?
- B. Right
- A. In 1996

- B. Right
- A. And at that time she told you that she was present at the Whites house like the day before?
- B. Mm-huh
- A. Ok, and let me...let me...let me tell you this Nancy worked on this case for quite awhile, your mom and [REDACTED] were not at the Whites house on December 25th, 1996, ok? And I'm not telling you this because I've talked to your mom about it, I'm not telling you about this because I've talked to [REDACTED] or anybody else about it? I'm telling you this because I know it from the information that's totally unrelated to you and your family.
- B. You mean because of what Fleet White and the guest that were there told you (talking)
- A. No, I'm telling you this because of other outside information that I have? I'm not gonna go into that information cause I'm not going into my homicide investigation. But I'm telling you your mother and [REDACTED] were not present at the Fleet White Jr house on December 25th, 1996.
- B. But that doesn't mean that they weren't present in Boulder somewhere?
- A. I'm telling you [REDACTED] was not present in Boulder at that time, ok? I'm telling you that they weren't at the Whites house?
- B. And how do you know that's...that's (inaudible) (talking)
- A. I'm not going into details because that's part of my homicide investigation, ok. With the information that you had I understand your history, I understand what's gone on with Mackey Boykin, I understand that there's a lot of other stuff out there that's gone on with you, but I'm here to tell you that the specific information you have reference my homicide is inaccurate. Your mom and [REDACTED] were not at the Fleet White Jr's house on December 25th. I can tell you that unequivocally ok. I'm not gonna go into details how I know that, I'm sharing you more than I should it's not coming from your mom, it's not coming from your family do you understand?
- B. Well I understand but I'm (talking)

- A. Ok, and I think that's important
- B. If it's coming from the Whites
- A. No it's not just the Whites, and again I'm not going into any further but I'm telling you unequivocally mom, Gwen Boykin, Gwen Boykin Krebs or whatever you wanta call your mom and [REDACTED] were not at Fleet White Sr's house excuse me Fleet White Jr's house on December 25th, 1996 ok.
- B. Oh I hope you're very right about that. I mean that's what I was told.
- A. I understand
- B. And here you say that unequivocally (talking) unequivocally... that that's not what I was told
- A. No I can't, I understand what you were telling me that your mom said ok. But I'm telling you that they weren't there, ok? Do you have any other questions of me reference the homicide?
- B. Any questions
- A. Do you have any other questions?
- B. Umm yea when I spoke to you on the phone
- A. Mm-huh
- B. In mid April you told me that you hadn't even spoken to Fleet Sr
- A. Mm-huh
- B. You still that was something you still had to do?
- A. Mm-huh
- B. Have you ever talked to Fleet Sr?
- A. And Nancy you know what I'm not gonna go down the list of everybody I've...I've talked to?

- B. Well that's not...that's not going down the list
- A. Ok
- B. That's ask...asking a very specific question
- A. And no I'm not talking, I'm not gonna tell you who specifically I spoke to reference your investigation? Your investigation is one part of the total homicide investigation. I get a lot of people coming in here, you had specific information I listened to your information. And your specifics were Fleet White Sr killed JonBenet Ramsey?
- B. Mm-huh
- A. Because your mom told you that?
- B. Mm-huh
- A. And second specific was that your mom and [REDACTED] were present at Fleet White Jr's house in Boulder on December 25th, 1996.
- B. Mm-huh
- A. Ok
- C. There's....there's a third...a third specific information that seemed to have some relevant to (inaudible) (talking)
- A. And that being...and that being
- C. That's...that's she's been sodomized
- A. Her history
- C. Sodomized (inaudible)
- A. Her history compared with (talking)
- C. And sexually assaulted by Fleet White Sr?

- A. Ok and I understand that, but what occurred to Nancy by Fleet White Sr does not have to do anything with my investigation right?
- C. Also by Fleet White Jr
- A. Ok, but in general that does not have to do with specifically with the homicide investigation.
- C. It does if you say that your gonna view every predatory pedophile associated with this case
- A. Ok
- C. Do you have (inaudible) (talking)
- A. I'm not saying...(talking) I'm not saying that I have interviewed every pedophile...predatory pedophile involved in this case?
- C. I've heard that from Chief Beckner (talking) (inaudible)
- A. That's...that's impossible to do
- C. Chief Beckner (inaudible)
- A. Ok, we've...we've interviewed a number of pedophiles, we've not interviewed (talking) a number of
- C. He told me last Thursday...he told me last Thursday I think you all have interviewed every known predatory pedophile that could of had a connection with this case (talking) (inaudible)
- A. That could of had a connection
- C. And...and Fleet White Jr is directly connected to the case having not only found the body but (talking)
- D. We.. (inaudible) (talking)
- A. Ok than Lee

- D. We..we have interview
- C. (inaudible) (talking)
- A. And I'll let you extrapolate (talking) whether or not we interviewed Fleet...Fleet White Jr or Sr
- D. (inaudible) this is gonna be a he said she said and I don't wanta (talking) you know (inaudible)
- C. I understand...I understand...I'm just...I'm just...I'm just...I'm just completing the list
- D. (Talking) there's no way to prove that or disapprove that
- C. I understand...I understand the challenge this represents but I'm just completing your list because you were describing
- A. Ok
- C. The things that she had to offer you (inaudible) (talking)
- A. I understand that and that's another thing (talking) (inaudible)
- C. And I'm not..I'm not trying to be confrontive or
- A. But I'm telling you point blank (talking)
- C. Or suggesting that (talking) you're doing anything wrong
- A. But I'm telling you point blank there were three things obviously, Nancy's history
- C. Mm-huh
- A. We talked about that
- C. (inaudible)
- A. And the two specifics, Fleet White Sr's involvement

- C. Mm-huh
- A. And then her mom and her..her niece were at Fleet White Jr's house on December 25th, and I'm telling
- C. Mm-huh
- A. You that...that didn't happened
- C. Mm-huh
- A. Ok,
- C. And she's you know she's been lied to by her mother
- A. Ok
- C. A lot
- A. I'm not her mother
- C. Right
- A. And I'm not lying to you?
- C. Mm, right...right
- A. If I was gonna lie to you I'd tell you I'm lying to you, Fleet White... someone.... you know I'd tell you information, I'm not lying to you?
- C. Ma...Ma..May I add just to
- A. Mm-huh
- C. For the....and I just saw Nancy about an hour before we got here so she and I haven't had much of a chance to talk about any of this at all. But when I was in discussion with...with Chief Beckner he mentioned that Nancy's mother had acknowledged being in Colorado in October
- A. Mm-huh

- C. Of 96, and I enquired if Chief Beckner whether that settled with Nancy's cousins conversation with me in which she said she recalled receiving a telephone call from Nancy's mother in December of 96 when she was visiting Nancy's sister.
- A. Ok
- C. And he didn't know the answer to that.
- A. I mean I don't have every...I don't have the complete time line of exactly where her mother was, for every second between October and December of 96.
- C. Right
- A. But I can tell you that on December 25th, 1996 Gwen Boykin Krebs and [REDACTED] were not at the Whites house.
- C. Mm-huh my...my (talking)
- A. And that's a big part of this
- C. Right oh sure...sure
- A. Obviously
- C. Ma...ma....my question again especially when it's uh she said...she said or
- A. Mm-huh
- C. (inaudible) (talking) competing creditability issue (inaudible) umm and..and again not trying to second guess or critiqued your conclusions (inaudible) (low voice) umm if Nancy's mom and anyone who maybe an alibi witness were to be lying about where she was
- A. Right
- C. That would have significance (inaudible) (talking)
- A. If somebody were lying to me that would have significance, yes
- C. Right

- A. Ok, but I'm telling you as part of my investigation they weren't there
- C. Right, ok
- A. Ok
- C. Sure
- A. Again Nancy I appreciate your time coming in here
- B. Mm-huh
- A. I'm not here to waste anybody time
- B. Well I'm not either
- A. Ok, but the specifics that had to do...and I'm by no means am saying that there's not a lot of other stuff going on in your life. By no means am I saying that, what I'm saying is the three specifics that you spoke about your history that's there ok
- C. Can I ask two other questions (low voice)
- A. The other two that's it?
- C. Ok...are you saying that you determined that Fleet White Sr. and Fleet White Jr never sexually abused Nancy when she was little?
- A. I didn't say anything about that, that's not something I'm going into?
- C. Ok
- A. Ok
- C. And... (inaudible) (talking)
- A. Don't have any jurisdiction over that correct?
- C. There...therefore you're saying that it doesn't matter if Fleet White Sr and Fleet White Jr abused her when she was a little girl

- A. No that's not what I'm saying Lee
- D. Not at all (talking)
- A. I'm saying three components, right?
- C. Mm-huh
- A. Nancy's history which is one part of it
- C. Mm-huh
- A. Ok, I'm...I'm not going into that
- C. Mm-huh why not...
- A. That's...that's
- C. With respect to the Whites that's the only reason...I'm...I'm trying to understand I'm not...I'm not
- A. What do you mean not...not going into in respects to the Whites?
- C. Well you used the word you're not going into her history
- B. (inaudible)
- C. And her history is with the Whites?
- A. Right, that's...that's one component
- C. (inaudible) (talking) and I'm asking why
- A. There's Nancy's history
- C. Why aren't you going into it? (inaudible)
- A. Do you wanta go...do you wanta go another four or five, six hours and go step by step who abused Nancy Krebs for her entire life? We..we started over that, we talked about it?

- C. Just (inaudible) (talking)
- A. It's out there
- C. Just talking about (inaudible) (talking)
- A. Ok
- C. And...and my question please understand I'm not...I'm trying I need to be able to totally understand
- A. Right
- C. So I can (talking) (inaudible)
- A. And I'm...totally..totally trying to tell you there were three parts to this
- C. Mm-huh
- A. Nancy's history, I'm not disputing Nancy's history
- C. Ok
- A. I didn't say she was dis...dishonest with me
- C. Mm-huh
- A. Dishonest with anybody else
- C. Mm-huh
- A. Ok, that's one part of it
- C. Mm-huh
- A. That's only one part of it?
- C. Right sure
- A. I'm telling you the most important part of it for me is she had specific information

about a homicide that occurred in the city of Boulder? Her history is not something that occurred in the city of Boulder, correct?

C. Right

A. That's what I'm getting from you, and that's what I got from her.

C. Yea, and she's never presented it any other way

A. Ok

C. Right

A. The second component is that her mother was present at the Whites house

C. (inaudible)

A. And what I also understood from her from Nancy from the last time we spoke is that her mom was basically a witness to this homicide as was [REDACTED]

C. According to her mother (talking)

A. According to her mother

C. When she heard from [REDACTED] reaction (talking)

A. And what I'm telling you is that component isn't there

C. Ya that's true and..and I guess my last question is because I know you guys wanta do it complete and thorough job

A. Mm-huh

C. She brings specific information that she as a little girl was sexually assaulted in a manner which appears to our consumer view to have been similar to JonBenet's means of death by persons who were (inaudible) (talking)

A. Ok, and..and let me stop you right there for a second...and she's basing that information on stuff that's she heard in the media?

- C. Not the information about how she was abused.
- A. No, but how she tying that abuse to what occurred to JonBenet Ramsey?
- C. Right
- A. Ok
- C. And...and (talking)
- A. Because she doesn't have complete details complete
- C. And she...she right...she...she (talking) (inaudible)
- A. And accurate details of that
- C. Was totally wrong....maybe totally wrong
- A. Ok
- C. And she acknowledges that, but her allegations that the man who also discovered the body with John Ramsey use to abuse her when she was a little girl
- A. Mm-huh
- C. That impresses Nancy and also candidly I have the same opinion impresses me as having importance to the investigation.
- A. Ok, and I will take that...I will take that information. I'm...I'm not gonna tell you anymore about it my investigation though?
- C. Oh no, I'm not asking you to
- A. Ok
- C. I'm just trying to understand how your decision to not to pursue that or resolve that
- A. My decision not pursue who or what
- C. Uh...resolve her direct allegation that she was sexually abused by Fleet White Jr.

- D. He said she said Lee
- C. That's... (inaudible)
- A. Ok, specifically
- C. (inaudible) (talking) so you've got a compete... you just simply
- D. There's no way to prove it, there's no way to disapprove it?
- C. Ok
- D. There's no physical evidence that would...would come into this
- C. Can we ask her about it though
- A. Specifically
- C. But a long shot
- A. But...but let me go any further.....let me go further the allegation you're speaking of is occurring out of California. I've taken Nancy's history I understand Nancy's history I understand what she said specifically about Fleet White Sr
- C. Mm-huh
- A. What she said about Fleet White Jr
- C. Mm-huh
- A. And what she said about John Ramsey
- C. Mm-huh
- A. I remember that from the last interview we have of Nancy's. That's out there, that's in the case file ok. I'm not gonna go in any other details of why we come to our diss..decision.
- C. (inaudible) (talking)

- A. And then I'm telling you right now
- C. I'm not asking you (inaudible) (talking)
- A. [REDACTED] and Gwen weren't there, ok?
- B. Then I have uh...I have uh question
- A. Mm-huh
- B. I mean because it's something that you asked me or you talked to me about you said that you had spoken to my sister
- A. Mm-huh
- B. And I asked you had you spoken to [REDACTED] and you told me no.
- A. Mm-huh
- B. And then when you just went through this...this list of people you said that you had talked to both [REDACTED] and [REDACTED]
- A. I'm...I've not specific talked to [REDACTED] and [REDACTED], but an agent has, ok? I'm not gonna talk to a..a child on the phone in a lengthily investigation, but an agent will.
- B. And did that agent check any of [REDACTED] or [REDACTED] school records?
- A. About what, no we did not go into school records with [REDACTED] and [REDACTED].
- C. Just the usual (inaudible) you know
- A. We did not go into that
- C. (inaudible)
- B. Cause I think that has ref...relevance on this case.
- A. Ok
- B. And the things that [REDACTED] has

- A. But what..what I'm telling you Nancy is that [REDACTED]'s con...contact with this case is when your mom told you that [REDACTED] and she were at Fleet White Jr's house.
- B. Mm-huh
- A. Correct
- B. Mm-huh
- A. And obviously related to you she saw a barbie item she..she had problems with that, I understand that whole side to. Don't get me wrong I...I heard all that. But I'm telling you the two most important pieces that ties that hook [REDACTED] into this homicide investigation is that [REDACTED] and Gwen were not at the Whites house, ok. Without that piece that's important
- B. Well I...like I asked you...your clarifying that by saying that they weren't at the house, you also know that they weren't in Boulder?
- A. Yes I do. [REDACTED] was not in Boulder on December 25th, 1996, ok? And again I'm not going in on how I know that, I'm telling you she wasn't?
- B. Well I already know because it's..it's my family umm already told [REDACTED]
- A. Ok then your family knows about it.
- B. That uh...
- C. (inaudible)
- B. They said that
- A. Ok, but I'm telling your family doesn't know about the whole investigation.
- B. That they said that uh my mom said that they had proof that [REDACTED] was in Sacramento for Christmas of 96.
- A. Ok, I'm not saying one piece is more important than the other? But this specific information the second hand information coming from this first hand source your mom is inaccurate, ok.

- B. Well maybe uh I'd also is there anyway that I could speak to uh Chief Beckner. Cause I have a very personal question that I'd like to ask him?
- A. You can, I...I don't know if he's available?
- B. I mean I'd like to know how he could make a statement that the Whites were morally empty people?
- A. I don't know about that statement.
- B. Well it's in Steve Thomas' book?
- D. (Laugh)....
- A. Ok
- C. (inaudible)
- A. You're talking about two different things, ok?
- B. Ok
- C. And...and I..I got that that's the best seller here in the Boulder Police Department.
- A. Ok
- C. Did (inaudible) (talking)
- D. Just because it's written in print doesn't mean it's true?
- C. Right
- A. Doesn't mean it's accurate, ok?
- B. Mm-huh
- A. I can call if Beckner's in, I don't know if he's is or not tonight?
- B. Yea that's alright and uh I have also talked to somebody who told me that umm it was my right to have the video tapes of

- A. Video tapes of what?
- B. Of both of these interviews.
- A. Ok
- B. And uh-umm any tape conversations
- A. Mm-huh
- B. I would like all of those things.
- A. I'll send them through your attorney?
- B. Ok
- C. Is she entitled to them?
- A. I'll check and see, it's up to the District Attorney...
- C. I didn't (inaudible) (talking) (laughing)
- A. It's up to the District Attorney's Office
- C. Yea, ok umm
- A. Cause this is part of our...our case file.
- C. Ok
- A. And again our case file is not being released?
- C. Ok, right of course
- A. We don't...I don't give so far I haven't given copies of anything to anybody.
- B. But uh they were like Mary Bienkowski or [REDACTED] or some of the other
- A. Mary Bienkowski made her own tape?

- B. People....and so did [REDACTED]
- A. So did [REDACTED], we sat there and they turned on the tape recorder as soon as I turned on mine.
- B. Mm-huh
- A. And they have...they kept their copy and I kept mine.
- B. And I was also told that umm Mark Beckner was going to release uh a statement?
- A. That may happen yes.
- C. He..he explained to me
- A. And again he spoke to Lee about that
- B. Mm-huh
- C. Sp...sp....specifically umm you know and....and he explained that it's not because (inaudible) as you're aware quit a bit press enquires about his and particularly on the Inter-net and other less controllable or accountable media forms
- A. Media
- C. Have said some out landish thing..... inaudible) (talking) we don't need to tell these officers about how aggravated the media can be, they know.
- B. Mm-huh
- C. (inaudible) but umm and...and he..he explained to me that they were planning on announcing that they had not collaboration any direct correlation (tape volume went up) to there ongoing case investigation and that's essentially the uh tanner of the article
- A. Mm-huh
- C. (inaudible) (talking) and uh Chief Beckner also spoke with respectful with umm with the departments sympathy or you know how you've been impacted and umm he clarified that this police was in no way intended to diminish what's happened to

(inaudible) you of (inaudible)

B. Mm-huh

C. And I think we can understand how given with what they received from the interviews they've conducted you know they maybe limited in this way and how there going to you know in order to uh again umm other things I can imagine you all must be under tremendous pressures given...given...given what conclusions other people have published

A. Beckner's office would be yes

C. Right...ok...ok

D. (inaudible)

A. Two different sides (talking)

C. Gotta ya...ok so uh you know different...different people in different positions or you know getting different kind of different kind of pressure so

B. And umm is this about then clearing the Whites?

A. No, and that's...and I think Lee's has made that very clear. What we're talking about is specific allegations reference what you said about what occurred on December 25th, right now as I've just told for the last 15 minutes the one part of it that you got directly from your mom is inaccurate and that's what I think Mr. Beckner will uh speak to you....Chief Beckner will speak to you, ok?

B. Mm-huh

A. Doesn't have anything to do with your history

C. Bare in mind now that when people wanta screw things up you know the..the best part of prapa....most of what propaganda and dis-information is true information (volume change in tape).....it's just a little bit of totally wrong and provably wrong information that gets inserted into that that can wipe out the rest of the story in terms of credibility line. So from your prospective ok if you are convinced that you know the Whites weren't that involved and that in this your mother may be a witness or may have heard admissions you know perhaps she very cleverly has

- A. Ok
- C. (inaudible) I'm just trying broaden your consideration what could possibly
(inaudible) (talking)
- B. Well I think that...that uh should also know that I am prepared to make a statement
- A. Ok
- B. And it is going to be uh towards my family and the Whites that if anybody that I'm
associated with or if I myself am harmed in anyway shape or form everything that I
have is going to be made public.
- A. Ok, and Nancy I'm not here to tell you not to make a statement?
- B. Mm-huh
- A. Ok, cause I won't do that.
- B. Well it'd be kinda that wouldn't be your job to do that.
- A. To tell you not to make a statement?
- B. I said that wouldn't be your job
- A. No it would not
- D. (inaudible) (talking)
- A. Ok
- B. It would not be your job?
- A. No it wouldn't
- C. And I don't think that these officers or this department wants to throw themselves
front of you and the Whites (low voice)... (inaudible) these people are trying to
protect the Whites
- A. No I'm completing an investigation

- C. Right
- A. Ok
- B. Mm-huh
- A. Is this something you wanta share with me or not
- B. Oh this is just a chart cause we're having such a hard time figuring out who was who.
- A. Ok, I appreciate that
- B. So I had a chart made for you.
- D. (inaudible)
- C. Provide your own magnifying glass.
- B. Yea
- A. That works (inaudible)
- B. It's kinda little
- A. Ok
- B. So that's done, and I'm free to go and
- A. You're free to go
- C. Live long and prosper
- B. Yea
- A. You're not under arrest don't have any charges against you?
- D. (inaudible)
- A. Ok

A. You're not under arrest don't have any charges against you?

D. (inaudible)

A. Ok

C. Uh thank you both for your courtesy?

A. No problem

C. Your gentel air, I appreciate that and I told you so

B. Mm-huh

A. Ok

C. So thanks (low voice)

A. Thanks

C. (inaudible) see you later

A. Good day Lee
